

## Wells Fargo teams up with Mickey Guyton, Feeding America and ACM Awards | Transcript (English)

**Mickey Guyton:** My passion for music has taken on a whole new meaning this year. In speaking my truth, I'm breaking expectations and writing my own story.

And that's why I'm all in for those who are changing their perspective to create a little hope, like Wells Fargo teaming up with Feeding America to turn some of their locations into drive-up food banks, helping provide 50 million meals to families in need.

Wells Fargo is also donating to the ACM Lifting Lives COVID fund, which supports behind the scenes workers struggling within the country music community.

Together as a community, we can and will keep moving forward.
